Lyrics by Mike Geiler, Jared Rodehorst, and Tyler Johnson

## Verse 1

**G** **C2**  
Some people are late to class, but I like to make A's.  
**G** **C2**  
Some people like to chit-chat, but I like to study hard for the grade.  
**G** **C2**  
Some people like to bully kids, but I like to be kind.  
**G** **C2**  
Some people like to use their fists, but I like to fix my bind with my mind.

## Chorus

**D** **Am** **C**  
Nobody wants to put in the time it takes.  
**D** **Am** **C**  
Nobody gives the effort it takes to be great.  
**D** **Am** **C**  
Nobody has the passion for playing this game.  
**D** **Am** **C** **G**  
Nobody has what it takes...but me.

## Verse 2

Some people like watching baseball, but I would rather play.  
Some people play video games, but I would like to pitch some day.  
Some people play air guitar, but I like the real thing.  
Some people like to play pretend, but I want to form a band and sing.
